## The AIMS School & College Celebrates Successful Completion of STEM Tech Education Pilot Program.

Islamabad - The AIMS School & College proudly announces the successful completion of its STEM Tech Education Pilot Program, an innovative initiative launched in collaboration with Knowdemy and Elevatech. This groundbreaking program introduced 6th and 7th graders to practical STEM education through Project-Based Learning (PBL), powered by Knowdemy's CodeMentor platform.

The program culminated in an exciting Tech Program Demo Day, where students from The AIMS showcased their innovative projects with confidence and creativity. Their exceptional work earned them 1st and 2nd positions, marking a proud achievement for the entire AIMS community.

**Prof. Syed Imtiaz Ali Rizvi**, the CEO of The AIMS School & College praised the dedication of the students and teachers, reaffirming the institution's commitment to forward-thinking, hands-on education.

"This program reflects The AIMS' vision of fostering innovation, critical thinking, and technological skills from an early age," the CEO remarked.

Congratulations to all participating students and teams for their enthusiasm, hard work, and outstanding achievements. This milestone highlights The AIMS School & College's continuous journey toward educational excellence and innovation in STEM learning.

## Special Prayer Session for Martyrs of Indian Missile Strike

Islamabad - The AIMS School & College held a solemn assembly to honor the victims of the recent Indian missile attack, including Shaheed Irteza Abbas Turi, a Grade 1 student. Special prayers were offered, and students, teachers, and staff paid heartfelt tribute to the martyrs. Patriotic slogans and national songs filled the air, reinforcing messages of unity and resilience.

# Conduction of FBISE HSSC Exams as Premier Exam Centre

It is an honor for The AIMS to host the Higher Secondary School Exams of Federal Board as Premier Exam Centre. Thousands of students successfully took their exams at The AIMS with full peace and safety. The Federal Board team was fully facilitated. Parents were honored and shade was provided to them for comfort. The full-proof security, spacious rooms and well-organized administration was appreciated by students, parents and board team. We are thankful to all team members for making it possible to contribute to this national cause. The exams will finish in coming month.

## The AIMS participate in the BOG Election of FBISE

The AIMS participated in the BOG (Board of Governors) election of Federal Board of Intermediate and Secondary Education (FBISE). The CEO Prof. Syed Imtiaz Ali Rizvi cast the vote on behalf of the institute. On this occasion, the CEO expressed the determination to continue the positive struggle with government bodies and the broader educational community for the development of the country and the rights and welfare of students and educational institutions.

# The AIMS School & College Condemns Khuzdar School Bus Terror Attack, Holds Special Prayer for Martyred Students

The AIMS School & College held a solemn morning assembly today to condemn the recent terrorist attack in Khuzdar, which claimed the lives of innocent students. Teachers, students, and staff gathered in a respectful atmosphere to honor the martyrs and express deep sorrow over the tragedy. The assembly began with special prayers (dua) for the forgiveness (maghfirat) of the martyrs, seeking peace for their souls and strength for their grieving families. Heartfelt emotions were shared for the young lives lost. The Principal and Teachers emphasized the importance of unity, vigilance, resilience in the face of such tragedies. ***"We strongly condemn the horrific terrorist act in Khuzdar. Such cowardly attacks targeting innocent students cannot break our resolve. We***

***call upon the international community to take practical and urgent steps to stop terrorism and protect innocent lives around the world."*** Students stood united in grief, with a sense of solidarity and patriotism echoing throughout the school grounds. National songs played in the background, and the school reaffirmed its commitment to peace, resilience, and justice. The School administration urged the national and international community to stand firm and take concrete action against terrorism and killing of innocence civilians. The ceremony concluded with prayers and a firm resolve among the youth to stand against violence and work for a safer, united Pakistan.

## Oath-Taking Ceremony of Proctors at The AIMS School and College

The AIMS School and College proudly held the Oath-Taking Ceremony for its newly appointed proctors in a graceful event aimed at instilling leadership and responsibility among students. The ceremony celebrated the selection of excellent students from Grades 1 to 10, chosen for their discipline, academic dedication, and exemplary behavior. Each proctor received a sash from their respective class teacher and coordinator, symbolizing the trust placed in them to uphold the school's values and assist in maintaining a positive environment on campus. The vibrant smiles and the proud gleam in their eyes reflected the honor and excitement they felt upon taking on this role.

**Ali Mehdi** from Grade 10 was honored with the prestigious title of **Head Boy**. **Willa Zahra** from Grade 10 was honored with the prestigious title of **Head Girl**. Ali was selected for this leadership position based on his remarkable qualities of both mind and heart showing kindness, responsibility, and a consistent commitment to excellence in academics and conduct. The ceremony concluded with an inspiring speech by the **Principal Roozi Ali**, who emphasized the importance of this new responsibility. The Principal encouraged the proctors to be role models for their peers, to lead with integrity, and to act as ambassadors of discipline and harmony within the school community.

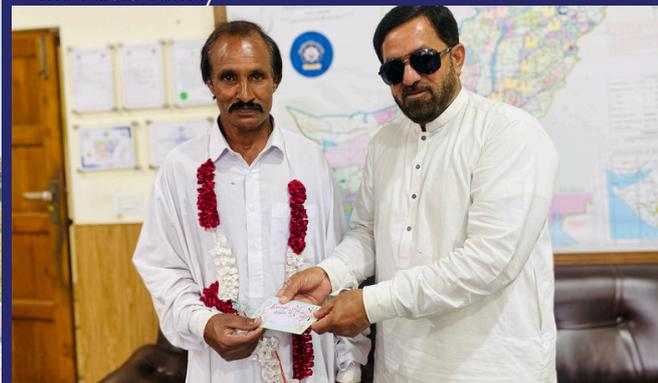

## The AIMS Pays Glorious Tribute to Unsung Heroes on Labour Day 2025

Islamabad: In a heartfelt and vibrant ceremony, The AIMS School and College celebrated Labour Day 2025 with more than words—it was a powerful act of appreciation for the real heroes behind the scenes. The school's dedicated support staff—including security personnel, mess workers, cleaners, drivers, and office aides—were honored with flowers, garlands, applause, heartfelt tributes, and appreciation gifts. Students personally greeted them, expressing deep gratitude.

A special lunch was served exclusively for the workers, creating an atmosphere of celebration and inclusion. The workers' joy was visible, and many were overwhelmed by the gesture. One of the senior member of service team, emotionally said:

میں نے کئی سال کام کیا ہے، مگر آج جیسا دن پہلے کبھی نہیں دیکھا۔ آج لگا جیسے ہم واقعی خاندان کا حصہ ہیں۔

"I've worked for years, but I've never experienced a day like this. Today, I truly felt like a valued part of the AIMS family."

## Youm-e-Takbeer Celebrated at The AIMS with Patriotism, Pride, and Joy

The AIMS School and College Islamabad marked Youm-e-Takbeer with great reverence, national spirit, and celebration. The event was gracefully hosted by two talented Grade 10 students, Willa Zahra and Ali Mehdi, who led the program with confidence and poise.

At the conclusion of the event, CEO Professor Syed Imtiaz Ali Rizvi delivered a passionate address, urging students to grow into strong and courageous defenders of their nation. He stated:

***"Youm-e-Takbeer is not just a day on the calendar, it is a symbol of our sovereignty, resilience, and national dignity. It reminds us of the strength and determination that made Pakistan a nuclear power. I want our students to carry that same spirit within them to become individuals who are brave, principled, and ready to stand for their country. We need young minds who are not only intelligent but also grounded in values, ready to lead Pakistan toward a brighter future."***

Following the CEO's powerful remarks, Principal Mr. Roozi Ali addressed the students, encouraging them to use the upcoming summer break as an opportunity to reflect, grow, and work on becoming better human beings. He emphasized the importance of building character and developing a positive mindset even during vacation time. The event featured heartfelt tributes to the martyrs of Pakistan, emotional speeches, national songs, and dynamic performances that filled the hall with patriotic fervor. Every performance reflected the students' deep love and respect for their country.

As it was also the last day of school before the summer vacation, a fun-filled Magic Show was arranged to give the students a joyful send-off. The laughter and excitement on the students' faces added a delightful touch to the day. The celebration beautifully blended patriotism, reflection, and happiness, leaving lasting memories for both the students and faculty at The AIMS.

# Innovations in Education

## The AIMS Launches Heartwarming Storytelling Sessions to Strengthen Bonds Between Children and Their Grandparents.

The AIMS has proudly launched a beautiful and heartfelt initiative to strengthen the bond between children and their grandparents through weekly storytelling sessions. Every weekend, one student from the preschool section will have the honor of inviting their grandparents to school to share a story filled with wisdom, love, and life lessons.

This storytelling initiative is more than just a joyful activity, it is a meaningful step towards character building, allowing children to learn valuable moral values in an environment full of warmth and connection.

The very first session featured the grandparents of little **Syed Jazib Ali** from the playgroup, who narrated a delightful story highlighting the importance of keeping promises.

The children listened with great enthusiasm and expressed their gratitude by gifting handmade cards and flowers to the special guests.

One of the most touching moments of the session was when the Principal of The AIMS presented a thoughtful souvenir to the grandparents and thanked them for taking time out of their precious schedule to be a part of this memorable event.

The AIMS extends heartfelt appreciation to its dedicated teachers and all the respected teams whose sincere efforts made this unique and impactful event a success.

This series is not just an event, it is a beautiful revival of love, wisdom, character building, and intergenerational connection.

# Awareness Seminar on the Harmful Effects of Tobacco and Prohibited Substances

In a vital step to safeguard youth from the dangers of addiction, The AIMS School and College, in collaboration with the **Human Development Foundation (HDF)** and co-hosted by **The AIMS Alumni**, organized a powerful Awareness Seminar on the Harmful Effects of Tobacco and Other Prohibited Substances at the AIMS Boys Hostel.

Renowned speakers **Mr. Shahid Saleem** and **Dr. Samia** delivered eye-opening presentations, exposing how international corporations are manufacturing harmful products to profit from young consumers, pushing them toward addiction. Using compelling statistical data, they showed how rapidly the youth are being targeted.

The team also shed light on the rising threat of **electronic cigarettes and Electronic Nicotine Delivery Systems (ENDS)**, highlighting their dangerous effects and the deceptive marketing tactics used to promote them. Speakers emphasized that individuals with strong faith and sound judgment can protect themselves from these harmful influences.

They encouraged students to engage in sports and other positive activities to maintain a healthy and productive lifestyle.

At the end of the seminar, all students took a pledge to stay away from tobacco and other addictive substances and to play a positive and responsible role in society.

In his closing remarks, the Principal of AIMS School and College stated,

The future of Pakistan depends on a generation that is healthy, strong, and educated.

He concluded with a powerful reminder from the Holy Qur'an: **"Whoever saves one life, it is as if he has saved all of humanity."**

He expressed sincere thanks to the Human Development Foundation (HDF), The AIMS Alumni, the Hostel Warden, and their entire teams for their dedication and collaboration in making the seminar a success.

# University Admission Guidance Seminar — Empowering Future Leaders

The AIMS School & College proudly hosted a University Admission Guidance Seminar for our graduating Grade 12 students, administered by The AIMS Alumni. The session featured distinguished guest **Dr. Saqlain Naqvi** (Director, USWA Institute of Higher Education) and a panel of experts from Star Academy, including **Dr. Ejaz, Mr. Danish, Mr. Haider Zaidi** and **Mr. Intikhab Hussain** from Chinab College.

Students received valuable insights on career planning, university admissions, and key academic fields such as Allied Medical Sciences, MBBS, Engineering, Computer Science, and Humanities.

The expert panel stressed the importance of adaptability in today's rapidly evolving world and encouraged students to make thoughtful, well-informed decisions about their academic and professional futures.

The visit also included a special meeting with Prof. Syed Imtiaz Ali Rizvi, CEO of The AIMS, along with a guided tour of the institution. The distinguished guests appreciated the outstanding facilities, vibrant learning environment, and the structured academic system at The AIMS School & College.

The session concluded with a heartfelt word of thanks from the Principal, who expressed sincere gratitude to the guests and alumni for their valuable time, guidance, and continued commitment to empowering our students.

This inspiring event is part of The AIMS Initiative—dedicated to preparing and uplifting the next generation of Future Leaders!

## The AIMS Students Dive into Creativity with Bookmark Making Activity

Our students enjoyed a delightful and engaging bookmark-making activity that blended creativity with a love for reading. With paints, markers, stickers, and plenty of imagination, the young learners crafted their very own bookmarks, each reflecting their unique personalities and artistic flair.

This activity was designed not just to entertain, but to inspire a deeper interest in books and the world of stories. By involving students of grade 4 in the creative process, we aimed to spark their curiosity and help them form a stronger emotional connection with reading.

The activity also played a role in promoting positive reading habits. It often felt encourages them to explore new stories, track their progress, and look forward to quiet moments with a book in hand. Beyond creativity, such activities cultivate discipline, focus, and a lasting appreciation for literature.

It was heartening to see the joy on students' faces as they proudly displayed their colorful creations – a simple yet impactful step toward building a generation of thoughtful and curious readers.

## The AIMS School and College Launches "Clean, Green Pakistan" Cleanliness Drive

In a new initiative to promote environmental responsibility, The AIMS School and College has launched a cleanliness drive under the slogan "Clean, Green Pakistan." This week students from Grades 1 and 2 enthusiastically participated by picking up trash, papers, and wrappers from the campus and play areas. This hands-on activity taught the young learners the importance of proper waste disposal and taking pride in their surroundings.

By encouraging children to dispose of litter in dustbins, the school is fostering a sense of responsibility, teamwork, and environmental stewardship from an early age. This initiative reflects AIMS' commitment to building a cleaner, greener Pakistan—one small step at a time.

# Celebrating Our Students

## The AIMS Students Participate in Prestigious Naat Competition at Alhamd University

A soulful Naat competition was recently organized by the Pakistan Naat Council at Alhamd University, Islamabad. The event witnessed enthusiastic participation from students of The AIMS School and College, Islamabad who beautifully recited Naats with deep devotion and artistic expression.

The primary aim of the event was to nurture the love of the Holy Prophet (PBUH) among the youth and promote Islamic cultural values. The audience warmly appreciated the heartfelt performances, which filled the atmosphere with spiritual light and reverence.

Organizers emphasized the importance of involving more educational institutions in the future to spread the true message of such meaningful programs across society. They also expressed their commitment to making these events more impactful and inclusive.

The event concluded with heartfelt prayers and the recitation of Durood-o-Salaam, leaving attendees spiritually uplifted. The university's dedication to promoting Islamic values through such platforms was widely praised.

# The AIMS Students Excel at WISE Talks Regional Public Speaking Competition

We are proud to share the remarkable achievements of our students at the WISE Talks Regional Public Speaking Competition - Islamabad Region, held at Al Mustafa Auditorium, Jamia tul Kauthar, Islamabad. The event was organized by the Education Leadership and Management System (ELMS) and served as the pre-qualification round for the upcoming international WISE Talks Competition in Najaf.

Students from various educational institutions participated in this thought-provoking event, where they presented real-world issues and proposed creative solutions through powerful speeches. Representing The AIMS with excellence, our students secured three top positions in the competition—an incredible accomplishment that reflects their dedication and talent.

## THE AIMS ACHIEVERS

## The AIMS School and College Memorable Educational and Recreational Trip to Mushkpuri Top

The AIMS School and College successfully organized an enriching educational and recreational trip for Grade 10 students and teachers to Mushkpuri Top, providing students and staff with a unique opportunity to connect with nature while learning valuable life skills. The trip offered participants breathtaking views of lush green valleys, cool mountain breezes, and expansive blue skies, creating unforgettable memories. Alongside enjoying the natural beauty, students learned important lessons in cooperation, discipline, and environmental appreciation. The college administration ensured excellent planning and management throughout the trip, prioritizing safety, guidance, and the overall well-being of all attendees.

The well-coordinated transport, supervision, and event management reflected the institution's commitment to delivering quality experiences beyond the classroom. This trip is part of The AIMS' ongoing efforts to foster holistic development in students by blending academic learning with practical, real-world exposure. The administration looks forward to organizing more such purposeful excursions that contribute to students' personal and educational growth. The AIMS School and College continues to be a beacon of hope and excellence, dedicated to nurturing bright futures and meaningful experiences for its community.

# Students of The AIMS School and College Enjoy Educational Trip to Ayubia National Park

The students of Grade 7 and 8 from The AIMS School and College embarked on a memorable educational trip to Ayubia, Murree. The excursion included a scenic walk along the famous 4-kilometer Pipeline Track, nestled among the lush greenery and majestic mountains of the Ayubia National Park. The students also had the unique opportunity to explore a historic British-era tunnel, offering them a glimpse into the region's colonial past. Following the walk, they enjoyed recreational activities in a nearby park where lunch was served, making for a refreshing and joyful day outdoors. The trip provided a much-needed break from daily routines, promoted mental and physical well-being, and strengthened bonds among staff and students.

The trip was not only recreational but also educational, helping students connect with nature and enhance their observational skills. The school administration, staff, and accompanying teachers appreciated the excellent arrangements, including punctuality, transportation, safety measures, and the overall organization of the visit. The AIMS School and College community hopes such activities continue in the future to support the holistic development of both students and teachers.

# Cultivating Curiosity: The AIMS Wraps Up Enriching Educational Tour

The AIMS School & College proudly organized a memorable educational and recreational city tour for its students and local community girls, marking the successful conclusion of a one-month training program. This special initiative was held under the Campaign for Tobacco-Free Kids, organized by the Human Development Foundation (HDF) in collaboration with the Pakistan Tourism Development Corporation (PTDC). Students enjoyed a unique and enriching experience aboard a double-decker bus, visiting key historical and cultural sites including Faisal Mosque, Parliament Buildings, Lake View Park, and the Pakistan Monument. The tour not only enhanced students' knowledge about Pakistan's heritage but also offered

them with a valuable opportunity to socialize, reflect, and engage in learning beyond the classroom. The activity concluded with a warm dinner at Allama Iqbal Park, leaving students with unforgettable memories and new insights. The AIMS School & College extends heartfelt thanks to the Human Development Foundation and PTDC for their support and collaboration in making this event possible. We also deeply appreciate the efforts of our event management team, and all those who contributed to the smooth and successful execution of this activity. Their dedication and teamwork ensured a safe, informative, and joyful experience for all participants.

# The AIMS Catalyzing Change: Empowering Women Through a Transformative Club-Based Community Service Program

The AIMS proudly announces the successful launch and continuation of its one-month Club Activity Program, a dynamic initiative aimed at empowering women from the local community by equipping them with essential academic and vocational skills. This transformative program reflects The AIMS' ongoing commitment to social responsibility, gender empowerment, and education that extends beyond the classroom. The carefully structured program offers a comprehensive blend of academic enrichment and hands-on vocational training. Through interactive sessions in English language and Computer literacy, participants are developing crucial communication and digital competencies that are indispensable in today's fast-paced world. Complementing these are practical skill-based workshops in Creative printing, First Aid, Cooking, and Professional Grooming, enabling women to explore new interests and potential career paths.

We are proud to share that the first batch of 30 local community women has successfully enrolled and actively participated in the program. These women, many of whom are engaging in structured learning for the first time, have shown remarkable enthusiasm and dedication throughout the sessions. More than just an educational offering, this initiative serves as a platform for confidence-building, self-discovery, and community engagement. It empowers women to take charge of their futures, contribute meaningfully to their families and society, and evolve as leaders and changemakers in their own right. As these sessions continue, participants are advancing not only their skills but also their roles as future leaders and changemakers embodying The AIMS' vision of education with purpose and impact.
