The AIMS School & College Islamabad Fun Fair – A Celebration of Fun, Learning & Wellness!

The AIMS School & College Islamabad hosted an exciting and vibrant two-day Fun Fair, inaugurated by Madam Maryam Shah, Founder & CEO of Maryam Foundation. The event brought together students, parents, and guests from various institutes, creating an atmosphere of joy, learning, and community engagement.

The Quiz Competition remained a highlight, where students, mothers, parents, and staff enthusiastically participated, showcasing their knowledge and winning exciting prizes. Alongside this, joyrides, delicious food stalls, and a thrilling Magic Show kept the crowd entertained, adding to the festive spirit of the event.

Apart from fun and education, health awareness was also a key focus. The Diabetes Centre provided free sugar checkups, ensuring visitors could monitor their health. Additionally, a mobile hospital bus was present, offering basic medical services and health awareness sessions.

The two-day The AIMS Fun Fair was a resounding success, combining entertainment, knowledge, and wellness. It left participants with unforgettable memories and reinforced the spirit of learning, exploration, and community engagement at The AIMS School & College Islamabad!

Science Bus at The AIMS Funfair – Learning with Curiosity

The AIMS School & College Funfair featured a Science Bus, a high-tech mobile lab that transformed science into an interactive experience.

With real-life experiment tools, interactive models, and educational documentaries, students eagerly explored Biology, Physics, and Chemistry in a hands-on way.

Adding to the excitement, the Science Foundation gifted science books to The AIMS, further inspiring young minds. This initiative blended fun with learning, leaving a lasting impact.

Science Planetarium Brings Space Exploration to Life at The AIMS School and College

The AIMS School & College Islamabad organized an exciting Science Planetarium event, offering students a unique opportunity to explore the wonders of space. The event aimed to spark curiosity and enhance scientific understanding among students, particularly young children and female learners.

Through advanced science and technology, the planetarium recreated the mesmerizing environment of space, allowing students to witness the vastness of the universe, stars, and planets in a highly immersive setting. Experts guided students through an interactive learning experience, explaining celestial phenomena and the role of space exploration in modern science. The event was met with great enthusiasm, leaving students awestruck and eager to learn more about the universe.

VISITOR'S COMMENTS

The entire event and The AIMS, an amazing project by Syed Imtiaz Ali, left me truly impressed and honored to be there. It was a surprise to see such dedicated individuals making a difference in the world. I highly recommend visiting and supporting this incredible initiative—I've never seen anything like it before. JazakAllah!

Madam Maryam Shah

The AIMS School & College Staff Participates in 'Art of Parenting' Training at Quaid-i-Azam University

Two esteemed educators from The AIMS School & College, Madam Shareen (Elementary School Teacher) and Madam Iffat Zahra (Primary School Teacher), participated in the 'Art of Parenting Training Workshop (Pilot Phase-II)', held at Quaid-i-Azam University from February 10 to 14, 2025.

The workshop was organized by the National Institute of Psychology in collaboration with the National Commission on the Status of Women, Aga Khan Development Network, and the Government of Pakistan. The training featured insightful sessions by renowned experts on topics such as early childhood development, parenting challenges, mental health in families, peer pressure, cultural diversity, and managing adolescent vulnerabilities.

The participation of our teachers and their learnings from this training will contribute to creating a more nurturing and psychologically supportive environment for students.

The AIMS School & College Islamabad Marches for Kashmir Solidarity

The students and teachers of The AIMS School & College Islamabad organized a peaceful march to the Murree Expressway Toll Plaza to express solidarity with the people of Kashmir.

Participants raised slogans in support of Kashmiris and carried banners with messages advocating for their rights and freedom.

Addressing the students, CEO Syed Imtiaz Ali Rizvi and Principal Roozi Ali highlighted the significance of the day. They educated the students about the rights of the Kashmiri people and the harsh realities of the Indian occupation. They emphasized the need to raise awareness about the ongoing struggles of Kashmiris and reaffirmed their unwavering support for their right to self-determination.

Distribution of Solar Units among Families in Collaboration with DEWAN-Longi solar

The AIMS School & College in collaboration with DEWAN-Longi Solar distributed 25 units of solar panels, batteries, fans, bulbs, installation kits and other accessories to families of its service staff and deserving neighbours. This initiative is to facilitate them to get continuous electric power at their homes free of cost.

Mr. Osman Maud, Products and Solutions Manager for Central Asia Region of LONGI-Solar company provided a demonstration to the recipients on how to use the solar systems effectively. He explored The AIMS campus and interacted with the administration. CEO Imtiaz Ali Rizvi and Principal Roozi Ali warmly welcomed him and expressed their gratitude for generous support Diwan-Longi Solar.

The AIMS School & College CEO Attends Science Exhibition at Parasway Model School

The CEO of The AIMS School & College recently participated in the Science Exhibition organized by Parasway Model School, Bhara Kahu. The event showcased the innovative projects of young minds, highlighting creativity and scientific exploration. The CEO's presence encouraged students and fostered educational collaboration between institutions.

The AIMS School & College Hosts Regional Pre-Board Examinations by BOLD

The AIMS School & College is honored to have participated in the prestigious Pre-Board Examinations organized by the Body of Literacy Development Pakistan (BOLD). This regional initiative, conducted across various cities and examination centers, provided students with an excellent opportunity to assess their academic preparedness.

Our Grade 9 and 10 students actively took part in this standardized assessment, which serves as a valuable platform for academic growth. Furthermore, the initiative's recognition of excellence through the awarding of laptops to the top four achievers in each district is a commendable effort to encourage and motivate students.

We take pride in being part of this and remain committed to fostering academic excellence. We extend our gratitude to BOLD for this opportunity and look forward to continued collaboration in future educational initiatives.

Awareness Session on Illegal Immigration at The AIMS School & College Islamabad

The AIMS School & College Islamabad successfully hosted an insightful session organized by PDC on the topic "Awareness of Youth About Illegal Immigration." The session provided a flexible and informative environment where students were educated about the legal procedures for studying or establishing a business abroad, along with the severe consequences of illegal immigration.

We were honored to have distinguished speakers:

- Dr. Ahmed Qureshi – Event Manager & Campaign Coordinator (Digitaltime Communication)
- Mr. Amannullah – Program Coordinator (European Research Institute – ERC)
- Mr. Zainul Abideen – Principal, Faizul Islam Technical College & Master Trainer

Their expertise and valuable insights helped students understand the importance of legal pathways for international opportunities. The session was interactive, and students actively engaged in discussions, making it a highly productive learning experience.

THE AIMS SCHOOL & COLLEGE CEO INAUGURATES FREE EYE CAMP

Syed Imtiaz Ali Rizvi the CEO of The AIMS School & College inaugurated a two-day free eye camp at Ali Zai Eye Hospital, Murree Expressway, Islamabad.

The camp aimed to provide free eye check-ups, consultations, and treatment to those in need. Speaking at the event, the CEO highlighted the importance of accessible healthcare and commended the hospital's efforts in serving the community.

The initiative reflected a commitment to social responsibility, ensuring quality eye care reaches deserving individuals.

The AIMS School & College CEO Joins Anti-Tobacco Initiative

Syed Imtiaz Ali Rizvi, the CEO of The AIMS School & College, participated in a key meeting with the educational community of Islamabad and Rawalpindi to eliminate tobacco use in educational institutions. Jointly hosted by the Human Development Council (HDC) and the Private Educational Society (PES), the meeting focused on implementing

strict anti-tobacco policies and raising awareness among students. The CEO emphasized the need for collective efforts to create a healthier school environment. Educational institutions, including The AIMS School & College, will now work on awareness campaigns and strict regulations to ensure a tobacco-free future for students.

Exciting New Swings Installed in The AIMS Pre-Section – A Joyful Surprise for Little Learners!

The AIMS School & College always strives to create a vibrant and engaging learning environment for its students. In a delightful new addition, brand-new swings have been installed in the Pre-Section, bringing immense joy and excitement to the little ones.

The moment the children saw the swings, their faces lit up with happiness. Their laughter and cheers filled the air as they eagerly took turns enjoying the new play area. The swings have quickly become their favorite spot, adding an extra dose of fun to their school day.

The AIMS Faculty Attends Transformative Training on PBL-Based Mathematics Teaching Organized by ELMS

The AIMS School mathematics teachers participated in a transformative training session on Project-Based Learning (PBL) techniques, organized by the Education Leadership and Management System (ELMS).

The lecture focused on PBL, which transformed the classroom into a dynamic learning environment where students became active participants in their own learning. By connecting mathematical concepts to real-world challenges, PBL fostered deep understanding, cultivated essential skills, and ignited a passion for mathematics.

THE SESSION COVERED THE FOLLOWING KEY TOPICS:

1

Real-World Connection with Mathematics

2

Active Learning

3

Deep Understanding of Mathematics

4

Development of 21st Century Skills

At the end of the session, CEO The AIMS School & College and ELMS, Syed Imtiaz Ali Rizvi presented a souvenir to the master trainers on behalf of ELMS. The AIMS extends heartfelt thanks to ELMS for organizing this insightful transformative training session.

School Toppers
Anees ur Rehman

We are delighted to celebrate the outstanding achievements of our students in the ICATS English Linguistics Contest! Their hard work, dedication, and passion for excellence have brought immense pride to our institution.

🏆🥇 Regional Topper:

🌟 IMRAN SADIQ (GRADE 4) – 90%
(ISLAMABAD REGION)

🏆🥈 School Toppers:

🌟 MOEEZ AMJAD ALI (GRADE 8) – 85%+
🌟 ANEES-UR-REHMAN (GRADE 8) – 85%+

📢 A Proud Moment for The AIMS!

A total of 29 students participated, and an incredible 21 students secured positions in different categories, proving their linguistic excellence and academic brilliance!

👏 Congratulations to all our winners and participants! Your achievements inspire us all, and we look forward to witnessing more success stories in the future.

A group of Grade 8 students, faculty, and administration from The AIMS School & College had the privilege of visiting the Pakistan Academy of Sciences for an insightful session with some of the country's most distinguished scientists, including renowned nuclear scientist Dr. Samar Mubarakmand.

During the visit, students attended the launch of the book "میں سائنسدان کیوں بنا؟", which chronicles the life stories of prominent scientists. The book was graciously presented by the hosts for inclusion in The AIMS Library, offering students a valuable resource for inspiration and learning.

The visit provided a unique opportunity for students to engage with leading scientific minds, fostering curiosity and ambition in the field of science. The AIMS School & College remains committed to providing enriching educational experiences that inspire future innovators and leaders.

Session on Paper Solving Techniques & Career Guidance

A session on Paper Solving Techniques & Career Guidance was organized by BOLD (Body of Literacy Development, Pakistan) at The AIMS School and College. Dr. Tahir Ali Jafari, Central Director of BOLD, guided students on effective exam strategies, answer structuring, writing style, and subject selection after matriculation.

Students from The AIMS (Grade 9 & 10) and Masooma Institute of Islamic Studies (Grade 11 & 12) attended the session. It concluded with a Q&A segment and feedback collection, ensuring an interactive learning experience.

The AIMS is grateful to BOLD for conducting this insightful session and contributing to students' academic and career growth.

CEO of The AIMS School & College Honored at Pakistan Mother Languages Literature Festival 2025

The Pakistan Mother Languages Literature Festival 2025 was held at the Pakistan National Council of the Arts (PNCA) in Islamabad, celebrating linguistic diversity and cultural heritage. Organized by the Indus Cultural Forum in collaboration with PNCA, the event featured book launches, cultural performances, and discussions on the importance of mother languages.

The CEO of The AIMS School and College Islamabad attended as a Guest of Honor, highlighting the significance of integrating mother languages into education. The festival successfully promoted literary and cultural enrichment, drawing participation from writers, poets, and literary enthusiasts from across the country.

CHRS CEO Assesses future plans and level of understanding of the importance of legal ways of Immigration and Consequences of illegal Immigration of The AIMS Students

Mr. Waqar Haider Awan, CEO of Complete Human Resource Solutions (CHRS) Pvt Ltd (CHR), visited The AIMS School and College to assess students' understanding of going abroad through legal pathways and the risks associated with illegal migration.

During the session, students actively shared their insights on the importance of legal migration and the consequences of choosing unauthorized routes. Their confidence, awareness, and clarity about their future career plans were highly encouraging. Mr. Awan appreciated their positive outlook and informed perspectives, emphasizing the significance of making well-thought-out decisions regarding migration. As part of his visit, Mr. Awan also toured the institute's facilities, including the library, classrooms, and laboratories.

He found them to be state-of-the-art, well-furnished, and fully equipped, providing an excellent learning environment for students.

Additionally, Mr. Awan met with Mr. Roozi Ali, Principal of The AIMS Schools and Colleges, to discuss mutual collaboration opportunities in the field of youth positive engagement. They also explored potential initiatives for enriching the library and enhancing other educational facilities to further support students' academic and career growth.

The visit highlighted The AIMS' commitment to quality education and its role in guiding students towards informed and responsible future planning.

Enhancing Learning with a New LED 65” TV in the Main Library

We are thrilled to announce that The AIMS School and College has added a brand-new 65” LED TV to the Main Library as part of our commitment to providing innovative learning resources for students.

This addition aims to enhance students' knowledge through Islamic teachings, historical documentaries, science fiction, motivational content, and audio-video-based lectures. By integrating visual learning, we strive to make education more engaging, interactive, and impactful.

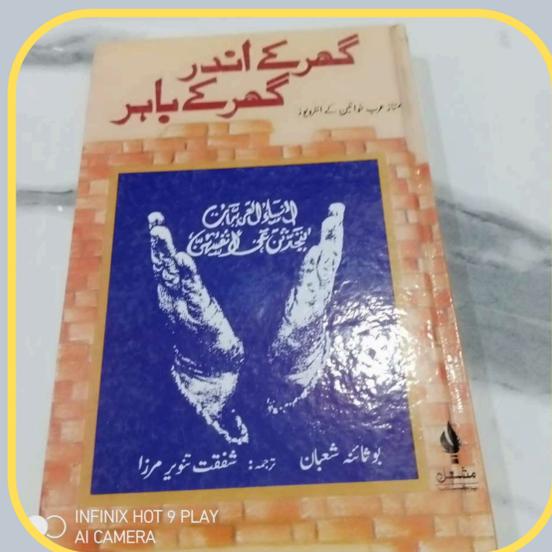

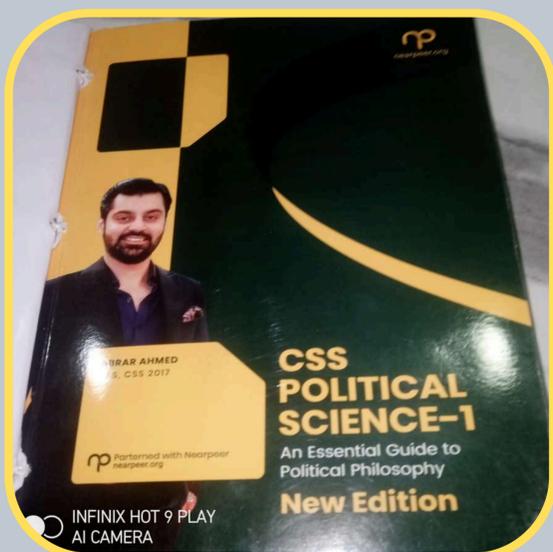

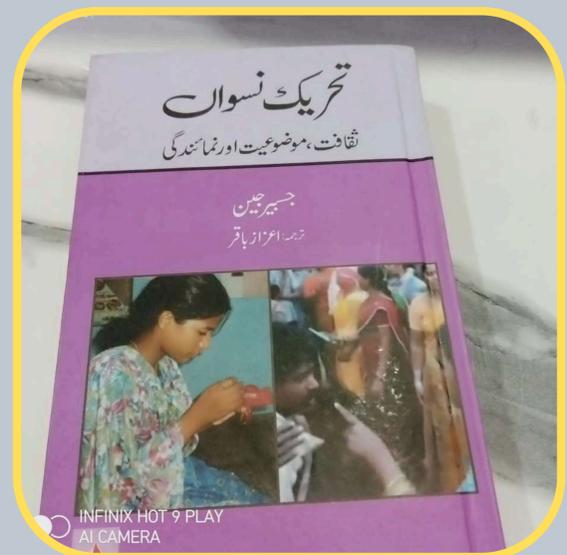

We encourage all students to take advantage of this new facility and broaden their understanding of the world through informative and thought-provoking content.

Over 150 New Books Added to The AIMS main Library!

The AIMS School and College Main Library has expanded with 150+ new books in February 2025. New arrivals include Urdu Science Encyclopedias, Artificial Intelligence, Emerging Technology, Cyber Security, Islamic Books, Urdu Literature, and CSS Preparation Guides.

Students are encouraged to explore these resources to enhance their knowledge.

Dr. Zulfiqar Ali Participates in National Textbook Review Workshop

A two-day Textbook Reviewing and Teacher Training Workshop was held on February 19-20, 2025, at Allama Iqbal Open University, Islamabad, organized by the National Curriculum Council Wing, Ministry of Federal Education and Professional Training.

Dr. Zulfiqar Ali, Lecturer Islamic Studies at The AIMS School and College, participated in this significant event, contributing to discussions aimed at enhancing the standardization of textbook review processes and improving educational quality nationwide.

Dr. Zulfiqar Ali expressed his gratitude for the opportunity to represent The AIMS School and College and acknowledged the support of the college administration, especially CEO Mr. Syed Imtiaz Ali Rizvi and Principal Mr. Roozi Ali.

The AIMS School and College remains committed to fostering academic excellence and contributing to national educational advancements.

The AIMS Alumni Association Meeting Highlights Key Initiatives

The AIMS Alumni Association held a meeting at The AIMS School & College Islamabad, chaired by Principal Mr. Roozi Ali. Discussions centered on alumni engagement, student support, and institutional development.

Key decisions included launching two monthly PDC career counseling sessions for FSc students to guide them on career paths and university admissions. Additionally, the association emphasized efforts to involve scholarship contributors to support deserving students. Alumni were encouraged to actively participate in the institution's noble causes, reinforcing their commitment to its growth and success.

The AIMS School & College, in Collaboration with CEF, Empowers Educators with Character Building Training

The AIMS School & College Islamabad has taken a significant step by launching a comprehensive system focused on character building, titled "Hasna Tarbiyah," aimed at instilling strong moral values in students. To equip educators with effective teaching strategies for this new system, a two-day Character Building Training was organized in collaboration with the Character Education Foundation (CEF).

The training began with recitation of the Holy Quran, a Naat and welcome address by the Principal followed by the Keynote Address of CEO. In his Keynote Address the CEO Syed Imtiaz Ali Rizvi, highlighted the mission and vision of AIMS School & College, focusing on Education for Civilization. He emphasized the purpose of the training, which was to empower educators with strategies to effectively integrate character building into their teaching and help cultivate strong moral values in students. Explaining the noble objectives of the mission of the Prophets (Peace be upon Them), he emphasized to embed the divine teachings in the education and development in a structured systemic manner fulfilling the modern era requirements.

Throughout the training, educators engaged in a range of topics, including content orientation for primary and middle classes, storytelling techniques, lesson planning, and Activity-Based Learning (ABL) & Problem-Based Learning (PBL). The sessions provided practical exercises and interactive discussions to help teachers incorporate character education into their lessons. The training also focused on advanced teaching methods, offering educators tools to integrate character building within their curriculum and classrooms, ensuring the development of ethically grounded students.

Principal Roozi Ali expressed his heartfelt gratitude to the trainers, teachers, and management staff for their contributions to the success of the training.

He emphasized in particular to embed the unique divine value of Justice in the character building education along with other dimensions.

This training marks the beginning of a transformative journey in character education, empowering educators to shape responsible and ethical future generations.

The AIMS Preschool Organizes Special Activity on the Importance of Friday Prayers

The AIMS Preschool recently conducted an engaging activity to educate young students about the significance of prayers, with a special focus on Friday prayers (Jummah).

Students participated enthusiastically, dressed in traditional shalwar kameez, creating a spiritual atmosphere. The classroom was beautifully decorated to resemble a mosque, giving children a real-time experience of a prayer setting.

Quran teacher Hafiz Shakir led the session, delivering the Jummah Khutbah and explaining the virtues and blessings of Friday prayers. The activity aimed to instill religious values in children from an early age, fostering their understanding of Islamic teachings in a practical and interactive way.

CEO The AIMS Pays Tribute to Renowned philanthropist Syed Saeed Haider Kazmi

The CEO of The AIMS School & College paid tribute to the renowned philanthropist, educationist and scholar Syed Saeed Haider Kazmi at a condolence reference. He highlighted Kazmi's dedication to humanity, his contributions to education, and his efforts in transforming countless lives through charitable work and career guidance.

Acknowledging his vision and perseverance, the CEO praised his role in founding institutions like the USWA Career Planning Cell, which continues to thrive on his legacy. The event, organized by Jabir Bin Hayyan Trust, USWA Career Planning Cell, and SENSPAK, reaffirmed commitment to carrying forward his mission. The AIMS expressed gratitude to the organizers and pledged continued collaboration.

The AIMS School & College Successfully Launches STEM Pilot Classes

The AIMS School & College has successfully launched practical STEM pilot classes for 6th and 7th graders, igniting enthusiasm among students eager to explore technology-driven learning.

This successful joint venture of Knodemy, Elevatech, and The AIMS marks a milestone in modern education at the grassroots level. Powered by Knodemy's CodeMentor platform, the program emphasizes Project-Based Learning (PBL) to equip students with essential hands-on technological skills.

The initiative will conclude with a Tech Day Event, where students will showcase their projects, further solidifying The AIMS' commitment to innovative STEM education.

THE AIMS FAMILY

Celebrating Academic Excellence – Farwa Yasmeen Achieves M.Phil Degree

We are proud to announce that Farwa Yasmeen, our esteemed Primary School Coordinator, has successfully completed her M.Phil degree. This remarkable achievement reflects her dedication, academic excellence, and commitment to continuous learning.

As a vital part of our team, Farwa Yasmeen has played a significant role in shaping young minds through her expertise and passion for education. Her academic accomplishment further strengthens our institution's commitment to excellence in learning and leadership.

We extend our heartfelt appreciation for her contributions and look forward to seeing her bring even greater value to our school community.

Birthday Cheers & Wishes

This month, we celebrate the birthdays of our wonderful team members! Your hard work, dedication, and positivity make our workplace brighter every day. Wishing you a fantastic year ahead filled with success, happiness, and good health.
