## THE AIMS SCHOOL AND COLLEGE

### AIMS STUDENTS VISIT THE DIABETIC CENTRE: A STEP TOWARDS DIABETES AWARENESS

The students of AIMS School and College recently visited The Diabetic Centre (TDC), located in the neighborhood of our institution. This visit was a continuation of TDC's efforts to educate our students about diabetes, following an earlier awareness session conducted at AIMS.

During the visit, our grade 6 and 7 students were given a guided tour of TDC's facility, enriching their knowledge of this common disease. They gained valuable insights into the prevention and treatment of diabetes, empowering them to make informed choices about their health.

As a token of appreciation, TDC presented our students and teachers with gifts, serving as a memorable souvenir of their visit. This educational trip was a highly beneficial experience for our students. We are proud to have played a part in promoting diabetes awareness, as evidenced by our CEO, Syed Imtiaz Ali Rizvi's presence as the guest of honor at TDC on World Diabetes Day (November 14th).

At AIMS, we remain committed to fostering a +culture of health awareness and education, and we look forward to continuing our partnership with TDC in this endeavor.

### AIMS SCHOOL AND COLLEGE HOSTS 4TH ANNUAL SPORTS GALA

AIMS School and College recently hosted its 4th annual sports gala, a week-long event that took place from November 18 to 25. This year's gala was unique, with each section of AIMS assigned specific days for their games.

The event kicked off with a grand opening ceremony on Monday, November 18, featuring a flame-lighting ceremony by the chief guests. The four competing houses – Unity, Faith, Discipline, and Tolerance – paraded through the AIMS grounds, showcasing their team spirit.

Throughout the week, students from primary, elementary, and higher secondary classes competed in various games, including badminton, table tennis, cricket, and volleyball. The competition was fierce, with the higher secondary classes delivering thrilling and nail-biting matches. In the end, House Discipline emerged victorious, retaining their title from last year's gala. Congratulations to all participants and winners on a successful sports gala!

## AIMS WELCOMES OUT-OF-SCHOOL CHILDREN FOR A FUN-FILLED SPORTS DAY

On November 22nd, AIMS School and College hosted a special sports day for out-of-school children. Fifty students from Junior Jinnah Trust visited our campus and participated in an exciting array of games and activities.

The children had a blast competing in events like spoon races, sack races, ball collection, 100 meter sprint and clockwise/anticlockwise rotation. Their energy and enthusiasm were palpable as they played with passion and joy.

AIMS was delighted to provide the children with a memorable experience. The winners and runner ups were given medals for the wins and all the children were given special gifts in the end. They were also provided lunch by AIMS management. We are proud to have played a part in bringing smiles to the faces of these deserving children.
