SUCCESSFUL COMPLETION OF FBISE HSSC 1ST ANNUAL EXAMINATIONS 2026 AT THE AIMS SCHOOL & COLLEGE

The HSSC (Higher Secondary School Certificate) Examinations 2026 of the Federal Board of Intermediate and Secondary Education (FBISE) have been successfully and smoothly conducted at The AIMS School & College. As an officially designated FBISE examination centre, The AIMS made comprehensive arrangements to ensure a secure, organized, and student-friendly examination environment for all candidates.

Throughout the examination period, students were provided with a wide range of facilities to support their comfort and convenience. These included enhanced security arrangements, spacious and well-ventilated examination rooms, clean drinking water facilities, accessible washrooms, and dedicated waiting areas for parents. The institution remained committed to ensuring that all services necessary for the smooth conduct of examinations were available to students throughout the examination process.

The successful completion of the examinations reflects the institution's commitment to maintaining high standards of organization, discipline, and public service. The AIMS extended its sincere gratitude to the FBISE Chairman & Administration, Board of Governors of FBISE and Federal Board examination staff for their guidance, cooperation, and efforts in ensuring the successful conduct of the examinations.

On this occasion, CEO The AIMS, Prof. Syed Imtiaz Ali Rizvi, appreciated the dedication and hard work of the AIMS administration, faculty, and support staff who carried out this important national responsibility with professionalism and commitment. He stated that facilitating national examinations is both an honor and a responsibility, and reaffirmed The AIMS' resolve to continue serving students and the nation in every possible capacity.

The successful conduct of the FBISE HSSC First Annual Examinations 2026 is another testament to The AIMS' commitment to institutional responsibility, and the provision of quality services for the wider educational community.

PEIRA REGISTRATION RENEWED FOR THE AIMS SCHOOL & COLLEGE

The AIMS School & College is pleased to announce the renewal of its registration with the Islamabad Capital Territory - Private Educational Institutions Regulatory Authority (ICT-PEIRA). The registration has been renewed and remains valid until 30 April 2029. This achievement reflects the institution's continued compliance with the educational, administrative, and regulatory standards prescribed by the authority.

As the regulatory body responsible for overseeing private educational institutions in Islamabad, ICT-PEIRA plays a vital role in ensuring quality standards, institutional accountability, and the provision of a safe and effective learning environment. The successful renewal of registration for another term demonstrates that The AIMS School & College continues to fulfill the requirements necessary for operating as a recognized educational institution at the higher secondary level.

The renewal represents an important milestone in the institution's ongoing journey of educational excellence and institutional development. It reflects the collective efforts of the administration, faculty, staff, students, parents, and stakeholders who contribute towards maintaining high standards of education and institutional management.

Over the years, The AIMS School & College has remained committed to providing quality education, character development, and leadership opportunities for its students while continuously strengthening its academic and administrative systems. The renewal of registration until 2029 further reinforces the confidence of parents and the wider community in the quality, credibility, and stability of the educational services being provided by the institution.

The AIMS School & College remains steadfast in its mission of nurturing knowledgeable, responsible, and morally upright individuals and will continue striving for excellence in education, character building, and institutional development in the years ahead.

THE AIMS SCHOOL & COLLEGE SIGNS AGREEMENT WITH PEARL IMS TECHNOLOGIES FOR INSTITUTION-WIDE DIGITAL TRANSFORMATION

The AIMS School & College marked a significant milestone in its journey towards digital transformation and systems modernization through the successful pilot launch and formal signing of an agreement with Pearl IMS Technologies Pvt. Ltd. for the rollout of a state-of-the-art Institute Management System (IMS).

The agreement was signed by Prof. Syed Imtiaz Ali Rizvi, CEO The AIMS School & College, on behalf of The AIMS, while Mr. Faheem Abbas, CEO & Founder of Pearl IMS Technologies Pvt. Ltd., signed on behalf of Pearl. The ceremony was also attended by Mr. Amir Abbas, Director Client Success, Pearl IMS Technologies; Principal The AIMS, Mr. Roozi Ali; members of the AIMS administration, and faculty representatives.

The successful pilot implementation and rollout of the IMS marks an important step in modernizing institutional processes at The AIMS. During the first phase of implementation, several key modules have been successfully launched, including the Student Academic Module, Attendance Module, Student Behaviour Module, Scholarship Module, and various other administrative and academic management tools. These modules are designed to improve data management, streamline operations, strengthen communication, and enhance decision-making across the institution.

Speaking on the occasion, CEO The AIMS, Prof. Syed Imtiaz Ali Rizvi, highlighted the importance of technology-driven educational management and stated that the implementation of the Institute Management System represents a major step towards

strengthening educational standards, improving institutional effectiveness, and advancing The AIMS' vision of academic excellence. Prof. Rizvi also appreciated the dedicated efforts of the AIMS administration, faculty members, and the Pearl IMS Technologies team whose commitment and hard work ensured the successful completion of the pilot phase and the smooth launch of the system.

Addressing the gathering, Mr. Faheem Abbas, CEO & Founder of Pearl IMS Technologies, described the agreement as a strategic partnership aimed at supporting institutional excellence through innovative digital solutions.

The signing of this agreement and the successful pilot launch represent another important milestone in The AIMS School & College's commitment to innovation, modernization, and continuous improvement.

Celebrating Our Students

SUMMER SPLASH FRUIT PARTY CELEBRATED AT THE AIMS SCHOOL & COLLEGE

The Primary Section of The AIMS School & College organized a fun-filled and colorful event titled “Summer Splash Fruit Party” on the last day before the summer vacations. Around 70 primary school students participated enthusiastically in the celebration, which brought together fun, creativity, and joyful summer activities in a lively environment.

The event was held in the school play area where students arrived dressed in bright and colorful summer outfits, adding excitement and energy to the festive atmosphere. Wearing stylish sunglasses and carrying umbrellas to protect themselves during playful water fights, the students fully embraced the spirit of summer celebrations.

Each primary class was assigned a unique fruit theme and beautifully arranged its own fruit corner featuring fruits such as watermelon, peach, melon, grapes, and mango. Students brought their respective fruits and enjoyed sharing and tasting them together, making the event both enjoyable and refreshing.

The celebration also included various recreational activities and games organized by the Primary Section teachers. Water gun activities and pool fun became the highlight of the event as students happily participated in splash activities and enjoyed memorable moments with their classmates and teachers.

The Summer Splash Fruit Party proved to be a highly refreshing experience for the students before the start of summer vacations. The event reflected the commitment of The AIMS towards creating an engaging, and joyful learning environment where students can develop socially and creatively alongside academics.

The AIMS Library Activities

RESEARCHER ROOM INTRODUCED AT THE AIMS LIBRARY TO SUPPORT ACADEMIC RESEARCH

The AIMS School & College has introduced a dedicated Researcher Room at The AIMS Library as part of its ongoing commitment to promoting research, academic excellence, and a culture of lifelong learning. The newly established facility has been designed to provide researchers with a peaceful, well-equipped, and professional environment for conducting research and scholarly work.

The Researcher Room is open to all researchers who wish to pursue their academic and research activities in a dedicated workspace. The facility offers access to high-speed internet and computer (PC) facilities, enabling researchers to conveniently access digital resources, conduct online research, and prepare academic work in a productive environment.

Speaking on the initiative, the administration of The AIMS School & College stated that strengthening research facilities is an important part of the institution's vision to support knowledge creation, innovation, and intellectual development. The establishment of the Researcher Room reflects The AIMS' continued efforts to provide modern academic resources and encourage a strong research culture.

The introduction of this facility marks another significant step in The AIMS' mission to create an environment that supports education, research, and professional growth. The institution remains committed to expanding opportunities and facilities that empower students, educators, and researchers to achieve excellence in their academic pursuits.

Values in Action: Human Dignity

Celebrating initiatives that encourage respect, kindness, equality, and the recognition of human dignity.

THE AIMS SCHOOL & COLLEGE SIGNS MOU WITH CHUGHTAI LAB TO ENHANCE EMPLOYEE HEALTHCARE FACILITIES

The AIMS School has signed an MoU with Chughtai Lab (Pvt.) Ltd. aimed at providing healthcare and medical facilities to the employees. The partnership marks an important step towards strengthening employee welfare and ensuring access to quality healthcare services for members of the AIMS family. The MoU was formally signed by Prof. Syed Imtiaz Ali Rizvi, CEO The AIMS School & College, and Mr. Abdul Ghafoor, Corporate Manager, Chughtai Lab. The ceremony was also attended by Principal The AIMS, Mr. Roozi Ali; Senior Corporate Executive Chughtai Lab, Ms. Asma Shaheen Wasti; and members of the AIMS

administration. Under this collaboration, employees of The AIMS will be able to avail a variety of healthcare benefits and medical services offered by Chughtai Lab. The facility will also extend benefits to employees' family members, enabling them to access healthcare services and special discounts through Chughtai Lab's extensive network across Pakistan. The initiative reflects the institution's continued commitment towards the well-being of its employees. The AIMS aims to support its employees not only in their professional responsibilities but also in their overall personal and family well-being.

AIMS ALUMNI ASSOCIATION COLLABORATES WITH MAWA TRUST TO ORGANIZE FREE MEDICAL CAMP AND SABEEL ON ASHURA

The AIMS Alumni Association (AAA), in collaboration with MAWA Trust, actively participated in the organization of a Free Medical Camp and Sabeel on the occasion of Ashura at G-6/2, Islamabad. The welfare initiative was organized to provide free medical consultations, basic healthcare services, and refreshments to the public while promoting the spirit of service and compassion during the sacred month of Muharram.

The program witnessed active participation from the volunteers of the AIMS Alumni Association, who played a leading role in the planning, management, and successful execution of the event. A majority of the volunteers serving at the camp were members of AAA, whose dedication, teamwork, and commitment to community service contributed significantly to the success of this humanitarian initiative. Volunteers from MAWA Trust also rendered valuable services in support of the noble cause.

The free medical camp provided basic health assessments and medical consultations, while the Sabeel served refreshments to members of the public throughout the event. The initiative reflected the shared commitment of both organizations to serving humanity and promoting social welfare through practical community engagement.

The AIMS Alumni Association expressed its sincere gratitude to MAWA Trust, the medical professionals, volunteers, and all supporters whose collective efforts made the event a success. The Association reaffirmed its commitment to continuing initiatives that promote humanitarian service, community welfare, and social responsibility, while working together with partner organizations to build stronger and healthier communities.

The AIMS Alumni

THE AIMS ALUMNI ASSOCIATION HOSTS WELCOME PROGRAM FOR GRADE 12 GRADUATES

The AIMS Alumni Association organized a warm and memorable welcome program in honor of the graduating Grade 12 students of The AIMS School & College. The event was held at the AIMS Boys Hostel, Islamabad, and was successfully managed by members of the Alumni Association.

The program was attended by the central cabinet of the AIMS Alumni Association, along with provincial coordinators and alumni representatives from different regions. The gathering provided an excellent opportunity for the graduating students to connect with senior alumni and become familiar with the alumni network.

During the event, students were given a comprehensive introduction to the AIMS Alumni Association, its objectives, activities, and future initiatives. Addressing the participants, the President of the AIMS Alumni Association encouraged the new members to remain connected with their alma mater and actively contribute to educational, social, and welfare initiatives through the Association's platform.

The welcome program also served as a valuable forum for interaction, networking, and the exchange of ideas between alumni and graduating students. Refreshments were arranged for all participants, creating a friendly and engaging atmosphere.

The AIMS School & College appreciates the efforts of the AIMS Alumni Association in organizing this meaningful event. The program marked the beginning of a new chapter for the graduating students and further strengthened the bond between the institution and its alumni community.

MR. YASIR ALI APPOINTED AS SPORTS SECRETARY OF AIMS ALUMNI ASSOCIATION

The AIMS Alumni Association (AAA) is pleased to announce the appointment of Mr. Yasir Ali as the Sports Secretary of the Association with immediate effect. The appointment has been approved by the President and the Cabinet of the AIMS Alumni Association. As Sports Secretary, Mr. Yasir Ali will lead and coordinate sports-related initiatives and activities aimed at promoting alumni engagement, teamwork, physical well-being, and healthy participation among members of the Association. His role will also focus on strengthening unity and collaboration within the alumni community through various sporting and recreational programs.

The AIMS Alumni Association expressed confidence that Mr. Yasir Ali will serve the Association with dedication, professionalism, and commitment, making valuable contributions towards achieving its vision and objectives. The Association extends its heartfelt congratulations to Mr. Yasir Ali on his appointment and wishes him continued success in this new responsibility.

AIMS ALUMNI ASSOCIATION LAUNCHES RAHIM YAR KHAN HOUSING PROJECT – PHASE III

AIMS Alumni Association is proud to announce the launch of Rahim Yar Khan Housing Project – Phase III, a humanitarian initiative aimed at providing safe, dignified, and sustainable housing for deserving families.

After the successful completion of previous phases, we are once again committed to bringing hope and positive change to the lives of underprivileged communities. This project reflects our collective responsibility to support those in need and help build a better future.

We invite volunteers, donors, and well-wishers to join hands with us in this noble cause. Together, we can build more than houses — we can build hope, dignity, and brighter futures .

The AIMS Boys Hostel

CONSTRUCTION WORK BEGINS ON THE AIMS YOUSAF HOSTEL

With the blessings of Almighty Allah, The AIMS School & College has commenced work on another important strategic project, the construction of The AIMS Yousaf Hostel. The new hostel facility, which will have the capacity to accommodate 500 students, is expected to play a significant role in expanding educational opportunities and strengthening the institution's mission of providing quality education and character development to students from across the country.

The official construction work began on 3rd June 2026. The foundation stone of the project was laid by Hujjat-ul-Islam Wal Muslimeen Maulana Sheikh Anwar Ali Najafi with his blessed hands. The ceremony was attended by respected members of Noor-ul-Huda Trust, including Maulana Hasnain Abbas Gardezi, Dr. Hasnain Nadir, Maulana Samar Ali Naqvi, and other distinguished guests. Also present on the occasion were Chairman Noor-ul-Huda Trust and CEO The AIMS, Prof. Syed Imtiaz Ali Rizvi, Mission Director The AIMS Allama Asghar Askari, ELMS representative Mr. Iqrar Hussain Yousafzai, Researcher Molana Muhammad Hussain Beheshti, Principal The AIMS Mr. Roozi Ali, and members of the AIMS administration.

Addressing the gathering, Maulana Sheikh Anwar Ali Najafi described the project as a historic educational and character-building milestone. He appreciated the efforts of Noor-ul-Huda Trust and advised students to benefit from the opportunities being created for their educational growth and moral development. He encouraged them to pursue their goals with dedication, passion, and perseverance. On the occasion, Maulana Hasnain Abbas Gardezi shared the history and journey of The AIMS School & College, highlighting its continued commitment to educational excellence and service to society.

Speaking to the students, Vice Chairman Noor-ul-Huda Trust and Member Board of Governors, Dr. Hasnain Nadir, emphasized the importance of academic excellence, character building, and spiritual growth. He advised students to strengthen their relationship with Allah alongside pursuing education and technological advancement. Referring to Prophet Yousaf (A.S.) as an ideal role model for students, he highlighted his qualities as a great Prophet of Allah, an exemplary planner and administrator, and a person of outstanding purity, integrity, and faith. Later in the program, the project engineer briefed the participants on the progress of construction work and the planned completion of the project.

In his concluding remarks, Chairman Noor-ul-Huda Trust and CEO The AIMS, Prof. Syed Imtiaz Ali Rizvi, thanked all distinguished guests, particularly Maulana Sheikh Anwar Ali Najafi, for their participation and support. He expressed confidence that, with the help and blessings of Allah, the project would be successfully completed and would serve as an important contribution towards the promotion of education, leadership, and character development for future generations.

THE AIMS MESS INAUGURATED AT THE AIMS BOYS HOSTEL

As part of the ongoing Mess Modernization Project, The AIMS School & College formally inaugurated the newly upgraded The AIMS Mess at The AIMS Boys Hostel which was also a special reception program held to welcome the sacred month of Muharram-ul-Haram. The event was graced by Lt. Gen. (R) Syed Athar Ali as the chief guest and was attended by students, faculty members, and distinguished guests.

The modernization project introduced a wide range of improvements to the hostel mess and its surrounding facilities. These include enhanced dining and seating arrangements, a dedicated reception area, improved spaces for meetings and interaction between parents and students, installation of LED screens for student infotainment and educational purposes, an upgraded CCTV security system, well-furnished furniture, and improved kitchen facilities. These developments have been designed to create a more organized, secure, and student-friendly environment that contributes positively to students' educational, residential, and character-building experiences.

The ceremony was attended by CEO The AIMS, Prof. Syed Imtiaz Ali Rizvi; renowned educationist Prof. Dr. Waqar Rizvi; General Manager ELMS Mr. Iqrar Hussain Yousafzai; Principal The AIMS, Mr. Roozi Ali; members of the ELMS administration, and the AIMS administration. The occasion provided an opportunity to highlight the institution's continued efforts to improve student facilities while strengthening the educational and moral environment of the hostel.

In connection with the arrival of Muharram-ul-Haram, speakers reflected upon the life, character, and everlasting message of Imam Hussain (A.S.). Addressing the students, Lt. Gen. (R) Syed Athar Ali emphasized the importance of living a life founded upon faith, truthfulness, piety, honesty, the pursuit of knowledge, and service to humanity. Referring to the great sacrifice of Karbala, he stated that its message remains relevant for every generation and urged students to make the values demonstrated by Imam Hussain (A.S.) a practical part of their daily lives and personal conduct.

Speaking on the occasion, CEO The AIMS, Prof. Syed Imtiaz Ali Rizvi, highlighted the vision behind the Mess Modernization Project and explained how the initiative had been implemented in phases as part of a long-term strategy to address the challenges of providing students with a comfortable, efficient, and learning-focused residential environment. He emphasized that the project reflects the institution's commitment to ensuring that students have access to facilities that support their academic, personal, spiritual, and moral development.

The project was completed through the valuable cooperation and support of Al Kisa Foundation USA and Literacy International USA, while Education Leadership and Management System (ELMS) played a vital role in its implementation and execution. During his remarks, Prof. Syed Imtiaz Ali Rizvi expressed his sincere gratitude to ELMS, Al Kisa Foundation USA, and Literacy International USA for their generous support and partnership. He also appreciated the dedicated efforts of the ELMS team, AIMS administration, maintenance team, and hostel management team whose collective work made the successful completion of the project possible.

The inauguration of The AIMS Mess marks another milestone in the institution's efforts to continuously improve student facilities and provide an environment that nurtures learning, leadership, discipline, and character building. At the conclusion of the program, lunch was served to the guests and students, providing an opportunity for further interaction and fellowship among the participants.
