6TH INTER SCHOOL NAAT COMPETITION HELD AT THE AIMS SCHOOL & COLLEGE

The AIMS School & College hosted its 6th Inter School Naat Competition in connection with the blessed occasion of Eid-e-Milad-un-Nabi, bringing together 28 students from 18 schools across the region, with one girl and one boy representing each participating institution.

Professor Jaleel Aali, a distinguished poet, literary critic and educationist, attended as Chief Guest, while the judging panel comprised Professor Sarwar Khosa, Professor Muhammad Ashfaq Humayoun, Syed Jafar Kazmi and Madam Farwa Yasmeen. Also present were Raja Khalid, President of the Private Educational Society (PES), Peer Syed Abdullah Shah, President of Tanzeem-e-Ulama-e-Ahle-Sunnat, and Arshad Arain, Vice President of PES, along with the leadership and

teaching staff of the participating schools. The atmosphere remained deeply spiritual throughout, with the audience joining in Durud upon the Holy Prophet (SAWAS) as students came forward one by one to present their Naats with reverence.

In his address, the CEO of The AIMS, Professor Syed Imtiaz Ali Rizvi, said the competition gives schools in the area a platform to collaborate and compete in wholesome activities, noting that such collaboration helps students learn from one another and develop useful skills. He added that every participant was a winner, having had the opportunity to recite Naat in praise of the Holy Prophet (SAWAS). The Chief Guest spoke about the history of Naat culture in Pakistan and how Islamic civilization shaped many

lasting practices in the subcontinent, including the link between the region's musical traditions and the wider Naat tradition. Judge Professor Sarwar Khosa announced the results with great enthusiasm, as three girls and three boys were awarded the top three positions. Hassan Sadiq of The AIMS secured first position in the boys category, while Rabail Fatima of Dar-e-Arqam School secured first position in the girls category.

Certificates were distributed among all participants, and the Chief Guest presented souvenir shields to the judges in appreciation of their services. The event concluded successfully, marking yet another grand Inter School Naat Competition organised by The AIMS School & College.

THE AIMS SCHOOL & COLLEGE HONORS OUTSTANDING STAFF AT ANNUAL AWARDS CEREMONY

The AIMS School & College organized an Administrative Staff Awards Distribution Ceremony at the scenic Shangrila Murree to recognize the dedication, performance and services of its administrative and service staff during 2025.

The chief guest at the occasion was Mr. Rehan Tahir, Country Representative of Muslim Hands. CEO The AIMS, Prof. Syed Imtiaz Ali Rizvi, Principal The AIMS, Mr. Roozi Ali, and General Manager Education Leadership and Management System (ELMS), Mr. Iqrar Hussain Jaffri, were also in attendance.

The awards were presented in recognition of outstanding performance and dedicated service throughout 2025. Performance Excellence Awards recognized the efforts of coordinators, media personnel, administrative and HR staff, as well as the Asset Manager, for their commitment and dedicated work during the year. The awards were presented by the chief guest and the CEO.

The highlight of the ceremony was the announcement of the Employee of the Year 2025, which was awarded to Miss Shaheen Jamal, AIMS Club/Event Manager and Arts Teacher.

Miss Jamal received the award in recognition of her exceptional management of school events, her role in establishing the school's art room, and her active involvement in various school projects and institutional initiatives. Her contribution to both the academic and co-curricular environment of the institution was particularly appreciated.

The ceremony served not only as a celebration of individual achievements but also as an acknowledgment of the collective efforts of the AIMS community in strengthening the institution throughout 2025.

SERVICE ADMIN STAFF AWARDS DISTRIBUTION

The AIMS proudly recognized the dedication and outstanding performance of its Service Admin staff during the Annual Staff Performance Awards Distribution Ceremony. Among the recipients were members of our service staff including honorable Sanitary Workers, Drivers, Security Guards and Office Assistants, whose commitment and hard work play a

vital role in maintaining a safe, clean, and welcoming learning environment.

Speaking on the occasion, the CEO noted that these workers are among the most important people in any organization, as they work tirelessly to ensure that institutions function smoothly every day.

PREFECT OATH CEREMONY HELD AT THE AIMS SCHOOL & COLLEGE

The AIMS School & College held its Prefect Oath Ceremony for the newly appointed prefects from all classes, with the school and college level oaths conducted separately. Two prefects were selected from each class, with students from grade 1 to grade 12 taking oath during the ceremony. Muhammad Musa of 10th grade was selected as Head Boy at the school level, while Hasnain Abbas

of 2nd year was selected as Head Boy at the college level and will serve as the overall Head Boy of the institution.

Principal Roozi Ali administered the oath to the students and briefed them on their responsibilities and duties as prefects, urging them to carry out their roles with dedication and set an example for their fellow students.

THE AIMS HOLDS PARENT-TEACHER MEETING TO STRENGTHEN HOME-SCHOOL COLLABORATION

Teachers briefed parents on the strengths and areas requiring further attention for individual students, allowing both sides to develop a clearer understanding of students' needs.

The AIMS places emphasis on maintaining close communication with parents, believing that such cooperation plays an important role in supporting students' academic, personal and social growth as they prepare for the upcoming 1st Term Examinations.

The AIMS School & College organized a Parent-Teacher Meeting (PTM) for students from Grades 1 to 10 following the summer vacations and ahead of the First Terminal Examinations.

The meeting gave parents the opportunity to meet class teachers and discuss their children's academic progress, classroom performance and overall development, while also sharing their own observations and concerns.

1ST TERM EXAMINATIONS 2026

The AIMS School & College conducted its First Term Examinations for students from Nursery and Prep through Grade 10, with examinations taking place from August 21 to September 1, 2026.

Students from all participating grade levels appeared in their respective examinations with dedication and enthusiasm. Teachers and staff supported the students throughout the examination period, ensuring an organized and conducive environment for assessment.

The AIMS School & College appreciates the hard work and commitment demonstrated by its students and wishes them the very best in their studies and upcoming academic endeavors.

THE AIMS SCHOOL & COLLEGE ORGANIZES DENTAL HEALTH AWARENESS AND CHECKUP PROGRAM

In a proactive step towards promoting the holistic well-being of its students, The AIMS organized a comprehensive dental health awareness and checkup program at Al-Kauther International Hospital, Islamabad. Students from various grade levels visited the hospital, where they underwent complete oral examinations conducted by a team of qualified dentists. The initiative aimed not only to identify potential dental concerns but also to educate students about the importance of maintaining good oral hygiene from an early age. During the visit, the dental team provided students with personalized guidance on proper brushing techniques, healthy dietary choices for stronger teeth, and the importance of regular dental checkups. The

dentists also explained how maintaining good oral hygiene can help prevent common problems such as cavities and gum diseases. The students actively participated in the educational session and received practical guidance on developing healthy dental-care habits. The interaction with qualified healthcare professionals provided them with an opportunity to learn about oral health in an engaging and practical environment. The program proved to be a healthy, educational and motivating experience for the young learners. Through such initiatives, The AIMS School & College continues to encourage students to adopt healthy lifestyle practices and develop habits that contribute to their long-term well-being.

POLIO VACCINATION DRIVE HELD AT THE AIMS PRESCHOOL

A government polio vaccination team visited the pre-school section of The AIMS as part of efforts to protect young children against polio and support the national drive for polio eradication. During the visit, eligible students were administered polio drops with the consent of their parents. The official vaccination team carried out the activity at the school, ensuring that the children received the

vaccination in a safe and organized environment. The initiative also provided an opportunity to reinforce awareness about the importance of vaccination and preventive healthcare among young children. The vaccination drive was conducted as part of the broader efforts of the Government of Pakistan to work towards a polio-free future.

THE AIMS HOLDS ORIENTATION SESSION FOR NEWLY ADMITTED COLLEGE STUDENTS

The AIMS School & College organized an orientation session for its newly admitted First Year college students, welcoming them to a new stage of their academic journey and introducing them to the institution's academic environment, expectations and values. The session gave students an overview of college life at The AIMS, including its rules, regulations and the responsibilities they are expected to undertake during their college years.

CEO The AIMS, Prof. Syed Imtiaz Ali Rizvi, reminded the students that entering college marks a transition towards greater maturity and responsibility, urging them to move beyond childhood and take responsibility for their decisions.

Mission Director The AIMS, Mr. Asghar Askari, described college life as an important stage that can significantly influence the course of a student's future.

Principal The AIMS, Mr. Roozi Ali, welcomed the newly admitted students and expressed his hope that their time at The AIMS would provide them with quality education along with meaningful memories and opportunities for personal growth, highlighting the institution's focus on including academic learning with character building. The orientation session marked the beginning of a new chapter for the incoming First Year students, giving them the opportunity to become familiar with their teachers and the institution.

THE AIMS PARTICIPATES IN DISASTER RISK MANAGEMENT TRAINING OF TRAINERS PROGRAMME

The AIMS School & College participated in the Disaster Risk Management (DRM) Training of Trainers Programme for Scout Leaders organized by the Pakistan Boy Scouts Association (PBSA).

Representing The AIMS, Rover Scout Aqib Javed participated in the training programme, gaining knowledge and practical skills in disaster risk reduction, emergency response and preparedness.

The Training of Trainers programme is part of a wider initiative of the Pakistan Boy Scouts Association following the launch of

its Disaster Risk Management Manual for Scout Leaders. A key objective of the programme is to equip Scout Leaders with the knowledge required to subsequently train other Scouts in disaster risk management and preparedness.

The participation of AIMS Scouts in this national-level programme reflects the institution's commitment to developing disciplined, capable, and service-oriented young people and equipping them with practical skills that can contribute to the safety and resilience of their communities.

INNOVATIONS IN EDUCATION

FIVE-DAY TEACHERS' PROFESSIONAL DEVELOPMENT WORKSHOP HELD AT THE AIMS SCHOOL & COLLEGE

A five-day Teachers' Professional Development Workshop commenced at The AIMS School & College, bringing together academic staff from The AIMS and educators from ELMS-affiliated institutions across Pakistan. Organized jointly by ELMS and The AIMS, the workshop aims to equip teachers with contemporary knowledge, practical skills and innovative approaches to meet the changing demands of modern education.

The inaugural session featured welcome addresses by Principal The AIMS, Mr. Roozi Ali, and General Manager ELMS, Mr. Iqrar Hussain. Mr. Roozi Ali highlighted the importance of addressing the evolving needs of educators, while Mr. Iqrar Hussain emphasized that the collaboration between The AIMS and ELMS provides teachers with an opportunity to learn from experts, exchange experiences and strengthen professional cooperation.

Delivering the keynote address, CEO The AIMS, Prof. Syed Imtiaz Ali Rizvi, stressed the importance of continuous learning and adaptability among educators. He described teachers as lifelong learners and highlighted the potential of Artificial Intelligence as a powerful educational tool. He also emphasized the need to develop critical thinking and higher-order cognitive skills among students to prepare them for an increasingly technology-driven world.

DAY 1 SPEAKER: DR. ALI SAJID (TI)

The first day's training session was conducted by Dr. Ali Sajid (TI), Member of the Pakistan Engineering Council and Founding Director, School of Business, NUST. His interactive session focused on three key areas: Soft Skills for Teachers, Use of AI in Education, and Challenges of Teaching Gen Z. Dr. Ali Sajid emphasized that a teacher's role extends beyond delivering academic knowledge, highlighting the importance of communication, leadership,

interpersonal and innovative skills in developing confident and responsible students. Discussing AI, he encouraged teachers to view the technology as a collaborative tool rather than a replacement for educators, while stressing the importance of AI literacy among students. He also discussed the characteristics and learning preferences of Gen Z, noting their technological awareness, and preference for interactive learning experiences.

At the conclusion of the day's program, Principal Mr. Roozi Ali thanked Dr. Ali Sajid for his insightful and engaging session and appreciated his contribution to the professional development of the participants.

The first day of the workshop provided teachers with practical insights and new perspectives, establishing a strong foundation for the remaining sessions of the five-day professional development program.

Day 2 Speaker

Prof. Dr. Syed Waqar Ali Rizvi

Topic: Effective Coordination and the Role of the Coordinator in Academic Excellence

DAY TWO OF TEACHERS' PROFESSIONAL DEVELOPMENT WORKSHOP

The second day of the Five-Day Teachers' Professional Development Workshop at The AIMS School & College continued with engaging training sessions, collaborative discussions and hands-on learning activities focused on strengthening educators' professional skills.

The first session was conducted by renowned educationist Prof. Dr. Syed Waqar Ali Rizvi

Dr. Rizvi spoke on "Effective Coordination and the Role of the Coordinator in Academic Excellence." He discussed the different roles of academic coordinators and highlighted their importance in maintaining educational quality and institutional efficiency.

Prof. Dr. Syed Waqar emphasized key responsibilities including effective resource management, maintaining student records, providing student support and developing a strong understanding of students, staff and the overall school environment. His practical insights were well received by the participants.

The AIMS Focus Group Session

was held where participants worked in groups to discuss common student-related challenges, share experiences and propose practical solutions. The activity encouraged professional dialogue, collaboration and the exchange of ideas aimed at improving student learning and well-being.

The final session was conducted by Mr. Faheem Abbas, CEO of Pearl Technologies. Mr Faheem led a hands-on workshop on the implementation of the Pearl Institute Management System (IMS) at The AIMS. Teachers received practical training on the system's features and learned how its various modules would support academic and administrative processes.

The second day concluded with a productive combination of professional learning, collaborative problem-solving and digital skills development, further reflecting The AIMS' commitment to continuous professional development and preparing educators for the demands of modern education.

DAY THREE OF TEACHERS' PD WORKSHOP

The third day of the Five-Day Teachers' Professional Development Workshop at The AIMS School & College featured a series of insightful sessions focusing on character education, employee health, and responsible media usage. The diverse training sessions reflected The AIMS' commitment to the holistic professional development of its educators by addressing both academic and personal dimensions of teaching.

MOLANA ASGHAR ASKARI ON IMPORTANCE OF CHARACTER BUILDING

The first session was conducted by Molana Asghar Askari, Mission Director, The AIMS, on the topic "Character Building: Importance, Challenges and the Teacher's Role." He emphasized that teachers are not merely responsible for imparting academic knowledge but also for nurturing the moral values, ethical conduct, and positive character of their students. He highlighted the contemporary challenges of character building and discussed how educators can serve as role models in shaping responsible, compassionate, and principled individuals.

CHUGHTAI LAB TEAM ON HEALTH AWARENESS

Madam Aiman Mahmood Minhas conducted a session on "Health Awareness: Vital Health Planning and Diagnostics," where she highlighted the importance of preventive healthcare, and informed health planning for maintaining long-term well-being. Madam Asma Wasti spoke on "Employee Health and Medical Care Services." She introduced the healthcare facilities and medical support services available to employees through the collaboration between The AIMS and Chughtai Lab, encouraging staff members to benefit from the institution's healthcare initiatives.

DR. IBN E HASSAN SESSION ON MEDIA REVIEW FRAMEWORK

The final session of the day was presented by renowned educationist Dr. Ibn-e-Hasan Bukhari, who spoke on the Media Evaluation Framework developed by The AIMS Media Review Committee. He explained the standards and criteria adopted by the committee to evaluate educational videos and digital media before they are shown to students. Concluding the day's proceedings, Dr. Husnain Nadir, also a member of The AIMS Media Review Committee, briefed the participants on the committee's objectives, responsibilities, and the significance of implementing a structured media evaluation framework.

DAY FOUR OF TEACHERS' PROFESSIONAL DEVELOPMENT WORKSHOP

The fourth day of the Five-Day Teachers' Professional Development Workshop at The AIMS School & College featured insightful sessions on student-centered teaching, financial education, and holistic educational development. The day's training equipped participants with practical strategies to enhance classroom instruction while broadening their understanding of the diverse dimensions of modern education.

DR. ASIF ALI SESSION ON SLO BASED TEACHING AND TECHNIQUES

The first session was conducted by Dr. Asif Ali, Regional Sales Manager, Moonlight International Publishers, Lahore, on the topic "SLO Approach, Effective Teaching Techniques, and the Inculcation of Critical Thinking in Students." He emphasized the importance of outcome-based learning through Student Learning Outcomes (SLOs) and demonstrated practical teaching methodologies that encourage active participation, conceptual understanding, and higher-order thinking. He highlighted that developing students' critical thinking skills is essential for preparing them to solve real-world problems and become independent learners.

MR. ASGHAR KAZMI SESSION ON FINANCIAL TARBIIYAH

The second session was delivered by Mr. Asghar Kazmi, Head of Life Lessons, Islamabad, on "Teachers' Role in Financial Tarbiyah." He discussed the significance of financial literacy and responsible financial behavior from an educational perspective, explaining how teachers can cultivate values such as responsible spending, saving, honesty, and financial discipline among students from an early age. He emphasized that financial education is an important aspect of character development and lifelong learning.

DR. MOHIB RAZA SESSION ON HOLISTIC DEVELOPEMENT IN EDUCATION

The final session of the day was presented by Dr. Mohib Raza, Education Manager, Superior University Lahore, on "Beyond the System: Rethinking Holistic Development in Education – A Comparative Insight into Islamic and Secular Perspectives of Educational Objectives." He explored the philosophical foundations of education from both Islamic and secular viewpoints, highlighting the importance of developing students intellectually, morally, spiritually, emotionally, and socially. The session encouraged educators to adopt a holistic approach that nurtures balanced personalities while preparing students for the demands of contemporary society.

FIVE-DAY TEACHERS' PROFESSIONAL DEVELOPMENT WORKSHOP CONCLUDES SUCCESSFULLY AT THE AIMS

The five-day Teachers' Professional Development Workshop organized by The AIMS School & College in collaboration with the Education Leadership & Management System (ELMS) concluded successfully with sessions on entrepreneurship, professional ethics and student psychology, followed by a certificate distribution ceremony at Shangrila, Murree.

The final day began with a session by Madam Saira Bano, Elementary Coordinator, The AIMS, who introduced the Smart Bazaar initiative. She explained how the program aims to help students turn their talents, hobbies and creative abilities into entrepreneurial opportunities while developing business awareness, financial responsibility and practical life skills.

This was followed by a session by Madam Shaheen Jamal, Event Coordinator, The AIMS, on Modest Dress for Teachers. She highlighted the importance of professional and appropriate attire, noting its role in reflecting the dignity of educators, upholding institutional values and setting a positive example for students.

The final academic session was conducted by Dr. Ansa Qurat-ul-Ain, Head of the Department of Psychology, Air University Islamabad, on "Managing Students' Behavioral Problems, Stress, Anxiety and Anger." She discussed common psychological and emotional challenges faced by students and shared practical strategies to help teachers identify concerns, provide

appropriate support and create positive and emotionally safe classroom environments.

The workshop concluded with a Certificate Distribution Ceremony at Shangrila, Murree, where participants received certificates in recognition of successfully completing the five-day training program. Special awards were also presented to outstanding participants and note-takers for their active engagement and commitment throughout the workshop.

CERTIFICATE DISTRIBUTION CEREMONY

The ceremony was attended by Mr. Rehan Tahir, Country Representative of Muslim Hands, as Chief Guest. Addressing the participants, CEO The AIMS, Prof. Syed Imtiaz Ali Rizvi, Principal The AIMS, Mr. Roozi Ali, Mr. Iqar Hussain from ELMS, and the Chief Guest emphasized the importance of continuous professional learning, innovation and collaboration in improving educational quality. The successful completion of the workshop marked another step in The AIMS' commitment to strengthening its faculty through professional development. The collaborative initiative with ELMS provided educators with contemporary knowledge, and innovative approaches to support holistic development of students.

CELEBRATING OUR STUDENTS

ART OF THE MONTH

In celebration of 14 August, Independence Day, our students expressed their love for Pakistan through creativity and art. They created colourful artworks, charts, and models exploring different aspects of our country, including its history, culture, national symbols, landmarks, and remarkable personalities. Through these creative projects,

not only showcased their artistic abilities but also explored Pakistan's journey, heritage, and the contributions of those who helped shape the nation. Each piece reflected a spirit of patriotism, learning, and pride in Pakistan. A celebration of Pakistan, created through the imagination and hands of our young artists.

THE AIMS CELEBRATES OUTSTANDING PERFORMANCE IN SSC PART-I FEDERAL BOARD EXAMINATIONS 2026

The AIMS School & College has achieved an outstanding performance in the SSC Part-I Annual Examinations 2026 conducted by the Federal Board of Intermediate and Secondary Education (FBISE), with three Grade 9 students securing the top positions within the institution. Hassan Mujtaba secured first position with 509 out of 550 marks, achieving 93 percent. Syed Baqir Raza stood second with 508 marks and 92 percent, while Mahran Ali secured third position with 503 marks and 91 percent. The impressive results reflect the hard work and dedication of the students, as well as the

commitment of their teachers and the continued support of their parents. The AIMS School & College congratulated all three position holders on their remarkable achievement and appreciated their efforts in bringing distinction to the institution.

The results further highlight The AIMS's commitment to providing quality education and creating an environment that enables students to develop their abilities and achieve their highest academic potential. The institution extended its best wishes to the successful students for continued excellence in their future academics.

WILLA ZAHRA SECURES FIRST POSITION IN INDEPENDENCE DAY SPEECH COMPETITION

Willa Zahra, a student of The AIMS School & College, brought distinction to the institution by securing first position in an English Speech Competition organized in connection with Pakistan's 79th Independence Day celebrations. The competition was organized in collaboration with the Kohsar Literary Society and held at Islamabad Career College. Willa Zahra and Ali Mehdi represented AIMS in the competition. Willa Zahra

impressed the judges and audience with her confident delivery, eloquent expression and strong command of the English language. Her speech reflected a deep sense of patriotism and demonstrated her ability to present her ideas with clarity and maturity. Her outstanding performance earned her the top position among the participating students and brought pride to The AIMS.

THE AIMS STUDENTS PARTICIPATE IN QURAN RECITATION COMPETITION

Students of The AIMS participated in a Quran Recitation Competition held at The Genius Zone School System in connection with the blessed occasion of Eid-e-Milad-un-Nabi (ﷺ). Representing The AIMS, Narjis Zahra (Grade 3) and Abdul Samad Khan (Grade 7) participated in the

competition and presented their recitation with confidence and devotion. Both students were awarded Participation Certificates in recognition of their involvement. The participation provided students with an opportunity to engage with other schools in the area.

THE AIMS HONORS TOP POSITION HOLDERS IN FBISE SSC ANNUAL EXAMINATIONS 2026

Willa Zahra – 1st Position SSC-II

Hassan Mujtaba – 1st Position SSC-I

Syed Baqir Raza- 2nd Position SSC-I

Ali Mehdi – 3rd Position SSC-II

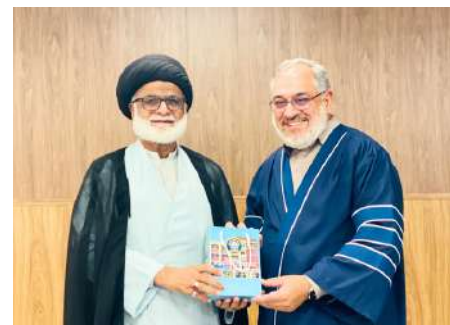

Mehran Ali- 3rd Position SSC-I

The AIMS School & College organized a Prize Distribution Ceremony to recognize and celebrate the top position holders in the FBISE SSC-I and SSC-II Annual Examinations 2026. Parents of the high-achieving students were also invited to attend the ceremony. The programme was attended by students, teachers, parents, and members of The AIMS leadership. The Chief Guest was Molana Hasnain Abbas Gardezi, Founding Member & Ex Chairman Noorul Huda Trust and Member BOG The AIMS, Principal of Jamia tul Raza and a renowned scholar.

The ceremony formally recognized the academic achievements of the top three position holders in the FBISE SSC-I and SSC-II examinations. The successful students were called on stage individually and presented with awards and cash prizes in recognition of their outstanding performance. Parents were also invited to share their experiences and testimonials, highlighting the important role of families in supporting students throughout their academic journey.

Addressing the gathering, the Chief Guest congratulated the position holders and urged students to devote themselves sincerely to their studies. He emphasized that education and character development must go hand in hand, as academic achievement alone is not sufficient for a fulfilling life. He also reminded students of the many blessings they enjoy and

observed that our society has strengths that are often overlooked when compared with Western societies. He highlighted that AIMS students receive not only worldly education but also guidance from the Word of God, which can remain a source of guidance throughout their lives. He further encouraged students who did not secure top positions, emphasizing that not achieving a position does not mean a student lacks ability or potential and that every student has unique capabilities that can be developed through effort and dedication.

CEO The AIMS, Prof. Syed Imtiaz Ali Rizvi, thanked the Chief Guest, parents, teachers, and students for their participation and contributions. Congratulating the position holders, he emphasized that while achieving good grades is important, students must also focus on correcting and improving their behaviour, character, and conduct. He reiterated that meaningful education should develop both knowledge and personality.

The ceremony concluded with appreciation for the students, parents, and teachers whose collective efforts contributed to the excellent examination results. The event reflected The AIMS School & College's commitment to celebrating academic achievement while promoting balanced education, character development, and the continued growth of its students.

THE AIMS LIBRARY ACTIVITIES

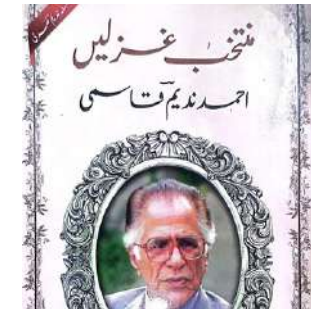

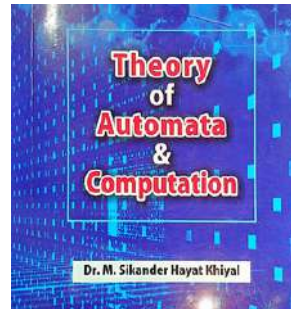

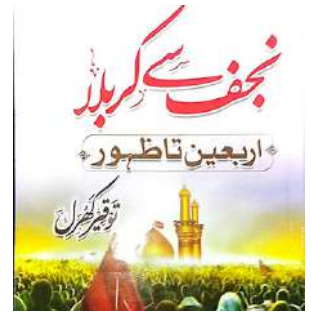

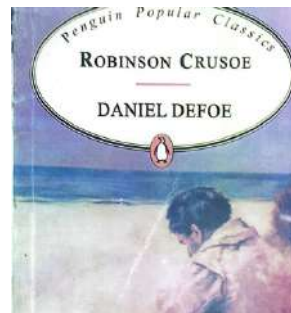

20 NEW BOOKS ADDED TO THE AIMS LIBRARY

The AIMS School & College has added 20 new books to its library collection this month, aimed at further enriching the reading resources available to its students and staff.

The newly added collection includes titles from English literature, Urdu literature, subject specific reference books and Islamic literature, offering readers a wide

range of materials to support academic learning and personal reading interests.

The addition of these books reflects the AIMS' continued efforts to strengthen its resources and encourage a culture of reading among its students, providing them with access to diverse and quality material across different fields of knowledge.

THE AIMS LIBRARY HOLDS BOOK REVIEW ACTIVITY FOR ELEMENTARY STUDENTS

The AIMS Library organized a book review activity for elementary school students, in which students presented reviews of the books that had been issued to them by the library prior to the summer vacations.

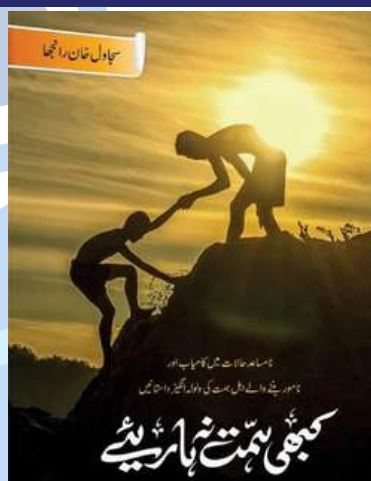

The students prepared their reviews in video form, sharing their understanding of the stories, the lessons learnt and their overall reading experience.

The activity encouraged students to reflect on what they had read and express their thoughts in a creative and engaging manner.

The initiative reflects the library's continued efforts to promote a culture of reading among young learners and to help students develop confidence in expressing their ideas beyond the traditional classroom setting.

In recognition of his participation and contributions to the education sector, Prof. Rizvi was also presented with a souvenir during the ceremony. The participation of The AIMS School & College reflects its commitment to engaging with emerging technologies and

educational developments. The institution continues to explore opportunities for collaboration and innovation aimed at equipping students with the knowledge, skills and critical thinking needed to succeed in an increasingly technology-driven world.

THE AIMS SCHOOL & COLLEGE PARTICIPATES IN MILAD HELD BY WORLD ACADEMY OF DEVELOPMENT

The World Academy of Development held a Milad in connection with the blessed occasion of Eid-e-Milad-un-Nabi, to which The AIMS School & College was invited along with its students and teachers.

During the program, a student of The AIMS presented a Naat in praise of the Holy Prophet (PBUH). The institution's board topper was also called on stage, where she shared her study experience with the audience as a source of motivation for other students present.

A quiz competition was held for the participants, in which students of The AIMS took part and won gifts for their correct answers.

All members of the audience were also given the opportunity to present anything relevant to the occasion of Eid-e-Milad-un-Nabi.

The delegation from The AIMS, comprising teachers and students, was warmly received by the World Academy of Development during the visit, reflecting the cordial ties between the two institutions.

VALUES IN ACTION: PATRIOTISM

THE AIMS PARTICIPATES IN PES INDEPENDENCE DAY FLAG HOISTING CEREMONY AND AZADI WALK

The AIMS School & College participated in the Pakistan Independence Day Flag Hoisting Ceremony and Azadi Walk organized by the Private Educational Society (PES). The event brought together prominent educationists, social figures, journalists, and representatives of educational organizations to celebrate Independence Day and reaffirm the spirit of national unity.

Prof. Syed Imtiaz Ali Rizvi, CEO The AIMS, Chairman, Pakistan Chamber of Education (PCE), Islamabad Chapter, and Senior Vice President, Private Educational Society (PES) Pakistan, attended the ceremony along with members of the AIMS Administration Team, Scouts, and students. He also addressed the gathering, emphasizing the importance of patriotism, national responsibility, and the role of educational institutions in preparing responsible and constructive citizens for the future.

The ceremony was attended by several distinguished personalities, including Hafiz Muhammad Basharat, Member Board of Governors, FBISE; Maj. (R) Dr. Hina Urooj, social worker; Raja Amir, renowned journalist; Raja Khalid Mehmood, Zonal President, Pakistan Educational Society; Muhammad Shawaiz, Central Vice President, Pakistan Educational Society; Prof. Nadeem Ahmed Faraz, Executive Director, NIPAS; and Salahuddin, Managing Director, NIPAS. The participation of AIMS students added enthusiasm to the Azadi Walk, while the AIMS Scouts demonstrated a high degree of discipline, coordination, and active participation throughout the event, representing the institution with distinction.

The event provided an opportunity for members of the educational community to come together in celebration of Pakistan's Independence Day. The AIMS's participation reflects its commitment to nurturing patriotism, discipline, civic responsibility, and a strong sense of national identity among its students while actively engaging with the wider educational community.

THE AIMS SCOUTS PARTICIPATE IN 79TH INDEPENDENCE DAY CELEBRATIONS AT D-CHOWK

Scouts of The AIMS School & College participated in the 79th Independence Day celebrations held at D-Chowk, Islamabad, on August 14, 2026, joining a major national event attended by prominent leaders and public representatives. The celebrations were attended by Federal Minister for Interior Mohsin Naqvi and Speaker of the National Assembly Ayaz Sadiq, among other dignitaries, adding significance to the Independence Day gathering. The AIMS Scouts took part in the event with discipline, and

a strong spirit of patriotism and service, representing their institution during the national celebrations. Following the event, the Islamabad Boy Scouts Association (IBSA) formally appreciated the participation of

The AIMS Scouts through a letter addressed to the Principal of The AIMS School & College. The Association commended their disciplined participation, smart turnout and enthusiastic spirit, noting that their presence added value and dignity to the occasion.

IBSA also appreciated The AIMS for promoting patriotism, discipline and a spirit of service among its students and expressed its desire for continued cooperation in strengthening Scouting activities and these values among young people.

The participation and recognition reflect The AIMS School & College's efforts to provide students with opportunities to develop not only academically but also as responsible, disciplined and service-oriented citizens.

AIMS STUDENTS CELEBRATE INDEPENDENCE DAY WITH GRAND RALLY ON MURREE EXPRESSWAY

Students of The AIMS School & College organized a grand Independence Day rally on the Murree Expressway in collaboration with the Pakistan Motorway Police, expressing their patriotism and solidarity with the nation. The rally brought together students and members of the Motorway Police in a celebration highlighting national unity, civic responsibility and the role of young people in the country's future.

CEO The AIMS School & College, Prof. Syed Imtiaz Ali Rizvi, attended the event as Chief Guest. In a gesture symbolizing cooperation and unity, the CEO joined officers of

Motorway Police in cutting a celebratory Independence Day cake. The event emphasized the importance of engaging young people in activities that promote patriotism and civic responsibility. It also highlighted the value of cooperation between educational institutions and public service organizations in nurturing responsible citizens.

The celebration concluded with a strong message that Pakistan's youth have an important role to play in shaping the country's future through education, responsibility, unity and active contribution to society.

THE AIMS SCHOOL & COLLEGE HOLDS PAKISTAN STUDIES QUIZ TO MARK INDEPENDENCE DAY

The AIMS School and College, Islamabad, organized an engaging quiz competition among its senior students to mark Pakistan's Independence Day, with the event focusing on Pakistan Studies and the history of the country.

The competition brought together students from Grades 9 and 10, First Year and Second Year. Senior teachers of the institution served as judges, while a large audience comprising students and teachers attended the event.

The venue was decorated in the spirit of Independence Day, creating a festive atmosphere. Students also joined in singing national songs, adding to the patriotic spirit of the occasion.

The quiz was conducted in two rounds, with two students selected from each participating class to form four teams. The teams competed for the top position, testing their knowledge of Pakistan's history, national development and important events.

The competition remained closely contested as the participating students demonstrated confidence and a strong command of the subject. Following the completion of the rounds, the results were announced, with the Second Year team securing first position and the First Year team taking second position.

The winning students received gift prizes from CEO The AIMS, Prof. Syed Imtiaz Ali Rizvi, amid cheers and applause from the audience.

Addressing the gathering, the CEO appreciated the students for their enthusiastic participation and said that programs allowing students to compete on the basis of their learning and knowledge had always been among his aspirations. He expressed hope that such activities would become a continuing tradition at the institution.

He also emphasized the importance of knowing the history of one's country, stating that understanding the struggles and achievements of the past helps young people develop a stronger connection with their homeland. He encouraged students to love their country and use their knowledge, abilities and education to contribute to its progress and prosperity.

The event concluded in a celebratory atmosphere, with students and teachers applauding the participants and winners. The quiz provided an opportunity for students to demonstrate their academic knowledge while reinforcing the spirit of patriotism associated with Pakistan's Independence Day.

PDC SESSION AT THE AIMS EXPLORES PAKISTAN'S JOURNEY FROM DREAM AND CONVICTION TO HOPE

The Professional Development Center (PDC) of The AIMS School & College organized a special session in connection with Pakistan's Independence Day celebrations, featuring renowned educationist and critic Professor Tahir Naeem Malik of NUML University Islamabad as the guest speaker.

The session, titled "Pakistan: The Journey from Dream, Destination and Conviction to Hope," provided students with an opportunity to reflect on the historical journey of Pakistan, its founding vision and the challenges and opportunities facing the country today.

Professor Tahir Naeem Malik was warmly welcomed by CEO The AIMS, Prof. Syed Imtiaz Ali Rizvi, the Principal and members of the administration. The guest speaker also held a productive exchange of ideas with the CEO before addressing the students.

Speaking on the occasion, Prof. Tahir discussed the history of British rule in the subcontinent, the struggle against external domination and the freedom movement that ultimately culminated in the creation of Pakistan. He highlighted the vision of Allama Muhammad Iqbal, the leadership of Quaid-e-Azam Muhammad Ali Jinnah, and the collective struggle of the Muslims of the subcontinent as important foundations of Pakistan.

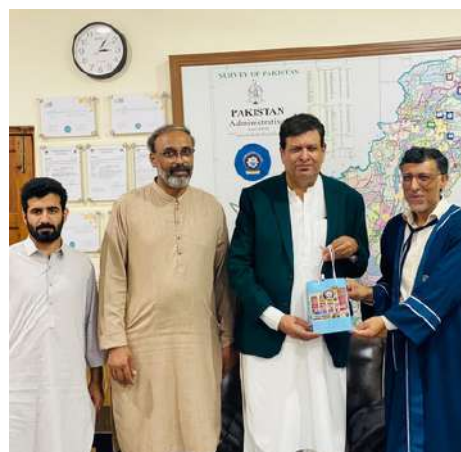

The speaker encouraged students to go beyond their prescribed textbooks and develop a deeper understanding of the ideas and events that shaped the country's creation. In particular, he urged them to study Allama Iqbal's philosophy, the Allahabad Address and the Lahore Resolution to better understand the vision behind Pakistan.

Turning to the country's present challenges, Prof. Tahir emphasized the need for stronger economic planning, justice and social development. He also highlighted the importance of expanding access to education and opportunities, developing the skills of young people and responding effectively to the challenges facing the country.

He urged students not to lose hope about Pakistan's future, emphasizing that education, hard work, skills and collective effort can play an important role in building a stronger and more prosperous country.

The session also included an interactive question-and-answer segment, allowing students to engage directly with the guest speaker and discuss issues related to Pakistan's history, present circumstances and future prospects.

Following the session, Prof. Tahir Naeem Malik toured The AIMS School & College and visited various facilities of the institution. He appreciated the efforts of The AIMS in promoting character building, quality education and an advanced learning environment for students.

The PDC session served as a meaningful platform for historical reflection, intellectual discussion and renewed hope for Pakistan's future. It also encouraged students to become more informed, skilled and responsible citizens capable of contributing positively to society and the development of their country.
